## December 2, 1963

Mr. J. E. Curry Chief of Police

## Subject: Arrest of Lee Harvey Oswald

Sirt

At approximately 2000 pm, November 22, 1963, I was working Squad \$223 in Oak Cliff. I was cruising in the area of Tenth Street and Secklay Avenue locking for the killer of Officer J. D. Tippit. The Dispatcher pat out a call stating that the suspect was in the Texas Theater on Jefferson Elvid. I proceeded to the rear of the Theater and paried sy egud car in the alley. I entered the rear door with Officers M. N. McDonald and T. A. Hutson. Officer NcDonald and I walked across the stage and jum ed down to the min meating area. Officer Mutaon walked down the status next to the door we had entered. I started walking up the north size toward two men who were observed sitting to the middle of the show.

Officer #cDonald was walking up the South state also toward the to men. Officer #cDonald and I waked up to these two men and searched them. While searching these two men the arrested purson was observed sitting farther back in the shown on the third east from the rear of the show. I walked back to the Montheatale and back to the row where the suspect was sitting. Officer #cDonald had walked back to the row where the suspect was. Officer Muston had entered the row behind the suspect, walking shead of me, toward the suspect.

I observed Officer McDenald as he walked up to the suspect and end something to him. The suspect stood up and faced Officer McDenald. At that time I was approaching the suspect from his back. Officer McDenald rached down as if to earm the suspect and as he did the suspect hit him Charles T.Walker-page 2

in the face. Officer McDonald started grappling with the suspect and Officer Hutson and I ran toward them. Officer Butson reached over from the seat behind the suspect and grabbed him around the neck. I reached and grabbed the suspect's left arm. I do not know where Officer Ray Hawkins came from. but he was to my left in front of the suspect, also attempting to hold him. I could see Officer McDonald and the suspect granuling over the gum. The suspect had his right hand on it and so did Officer McDonald. The gun was being waved around approximately waist high. I heard a click of the revolver as it snapped, but I do not know what direction the revolver was pointing when it snapped. Officer Hawkins told me to bring the suspect's arm eround a little so he could get the handcuffs on. I did this and started bringing the suspect out the sisle I had entered. I took hold of the suspect's right arm when we got to the North sisle. Detective Paul Bentley took his left arm and we took the suspect out the front door of the Theater. We put the suspect in the rear of a plain squad car and brought the suspect to the City Hall.

There were three plainclothes Officers in the front seat of the car that the suspect was brought down in. Sgt. Jarry Hill was one of the Officers and I do not know the names of the others.

Respectfully,

Charles T. Walker Patrolman #1592 Traffic Division
